## Acrostic Poetry

An acrostic poem uses the first letter of a word placed vertically (for example, AUSTRALIA) to help describe the word.

It is about pictures, feelings and the senses all working together to recreate a concept or idea of something.

**Country: Australia**

**Title: Australia**

**A**ustralia the beautiful  
**U**nder the golden sun  
**S**tars of crystal  
**T**rees of green  
**R**oaring surf  
**A** land of promise  
**L**ying safe  
**I**n our arms  
**A**nd ancient dreams
