A BIG FAMILY

In one township there was an overcrowded family with twenty children a mother and a father. They lived in a small house. Sleeping time was a problem and one day someone came with a plan. They took turns to sleep. The first group of ten slept first while the other was out of the house, and when the second group followed the first one had to go out of the house. What a big family!

LOLLIPOP

One day decisions were taken in heaven God asked "who wants to have a head of a lollipop?". Somebody said, "its me, I think that will be sweet." This person got the lollipop head and was born in a place where there are many children. The minute he was born there was chaos as all the children wanted to lick the lollipop head.

HOT DOGS

My friend was very creative. He had a dog and he was very hungry. I saw him put his dog on a heater and amazed, I asked, "what are you doing?" He said he was trying to make a hotdog.

THE DYING PREACHER

An old preacher was dying. He called banker and his lawyer, both church members, to come to his home. When they arrived they were ushered up to his bedroom. As they entered the room the preacher held out his hands and asked each of them to sit on the left and on the right on each side of the bed. He grasped their hands, sighed contentedly, smiled and stared at the ceiling. For a time no one said anything.

Both the banker and the lawyer were touched and flattered that the preacher would ask them to be with him during his final moments. They were also puzzled, the preacher had never given them any indication that he liked either of them. They both remembered his many long uncomfortable sermons about greed and silly behavior that made them squirm in their seats. Finally the banker said, "preacher why did you ask us to come?" The preacher mustered up his strength and said weakly, "Jesus died between two thieves and that's how I want to go."

MIDNIGHT CALL

A married couple were asleep when the phone rang at 2am. The wife picked up the phone, listened for a moment and said, "how should I know that is 200km from here!" and hung up. The husband said, "who was that?" and she replied, "I don't know, some woman wanting to know if the coast is clear."

BACKSEAT KICKER

Sabu had just received his brand new drivers license. The family took a ride in Sabu's car, for the first time. His dad immediately got into the back seat directly behind Sabu. "I bet you're back there to get a change of scenery after all those months sitting on the front passenger seat teaching me how to drive!" said Sabu. "Oh no," dad replied, "I am going to sit here and kick the back of your car as you drive, just like you have been doing to me all those years."

A WISH

A man found an odd looking lamp and gave it a rub. Out came a spirit who told him he would get three wishes, and that whatever he wished for his mother in law would get double. "Ok" he said, "I want one thousand million rands. "Remember your mother in law will get double," said the magic spirit. He said that he knew and he did not care.

The guy made his second wish. 'I want a brand new Ferrari sports car.'" So he got that as well. His mother in law got two. The spirit said 'What would you like for your third wish?' The guy said, I wish to be beaten half to death."
