

# GIGGLEIT PROJECT

## eNotes

When you make good notes you always use your own words, so when you have to write up your information you can be sure that you haven't broken someone's copyright or plagiarized the information.

You also have your bibliographic information to include in your reference list or bibliography to show where you found the information.

**Your name:** \_\_\_\_\_ **Today's date:** \_\_\_\_\_

<b>Bibliographic Information</b>	
<b>URL:</b>	
<b>Publication Date:</b>	
<b>Author/s:</b>	
<b>Title:</b>
