

# GIGGLEIT PROJECT

## Pre-Project Checklist

No.	Tasks to Complete	Completed
1.	Read both sections of the GiggleIT web site to familiarise yourself thoroughly with the project.	
2.	Make sure you have the support of your Principal. This is a global project that will be available for the world to see on the Internet and it will say something about your school. Your Principal must be involved as a supporter at the beginning of the project.	
3.	If you intend to collaborate with teachers particularly English/language teachers, then you need to have their support as well.	
4.	I have registered for the Project.	
5.	I have registered for the competition.	
6.	I have read the teaching-learning program document in the GiggleIT Resources.	
7.	I have checked the GiggleIT resources available.	
8.	I have checked resources available in our school/public library.	
9.	I have explored the International Children's Digital Library.	
10.	I have had the consent forms for my students completed.	

You should now be ready to GiggleIT!
