### **The Craighton Estate Tour: Exclusive Pleasure for Coffee Enthusiasts**

Visit Craighton Estate Great House and make the Plantation Tour. Relive the grand history of Jamaica's heritage and culture. Walking through the property, you get glimpses of the different ages in history, reflected in the varied collection of antique furniture and heritage art on display

On a 1-hour tour, our Guide will take you through the Estate, where you can view the cultivation and learn about the factors that give this coffee its unique and definitive flavor. Up the mountain, you make the gentle climb on flagstones for about half a mile, to a gazebo perched atop the estate in the midst of the coffee field. Behold your first breathtaking view of this Jamaican coffee farm, its coffee masters at work, the Blue Mountains, charming rural mountain villages and across to the sprawling plains of Kingston.

**Hollywell** is a 90 minutes drive from Kingston. The Blue Mountain and John Crow Mountains National Park spans 3 parishes in Jamaica. It is Jamaica's only terrestrial national park protecting 1/3 of the island's natural forests. It is home to some of many unique plants including the world's tiniest orchids and also a bamboo plant that flowers once every 33 years. It is also home to many animals including the Giant Swallowtail Butterfly, the largest in the Western hemisphere and the Jamaican Boa the largest snakes in Jamaica. There are also a wide variety of birds in the park Holywell is also home to 10 major rivers. One added attraction is that this is the home to the famous Jamaican Blue Mountain Coffee.

**Blue Mountain Tour \$77 USD per person**

**Groups of 20 will be assigned to an individual Tour Guide**

**THE GREEN GROTTA CAVES** - Situated on 25.9 hectares of the island's beautiful North Coast, the Caves are located between the resort centres of Ocho Rios and Montego Bay and are precisely 3.2 km from Discovery Bay to the west and 4 km from Runaway Bay to the east. The central feature of this natural attraction is the large labyrinthine limestone cave with its numerous rock formations, its stalactites, stalagmites and abundance of overhead ceiling pockets.

Green Grotto is 1,525 metres long and 12 metres deep and is characterized by numerous chambers and light holes and a subterranean lake - the Grotto Lake - occupies its bowels.

**Outameni Experience & Green Gratto Cave - \$111 USD Per Person**

#### 4) South Coast Tour (Appleton Rum Tour, YS Falls & St. Elizabeth Safari)

*Departs Kingston at 8 am Return 6pm*

- Duration: 10 Hours
- Times Available: Saturday 8am
- Dress Code: Sneakers, Shorts, Denim, T-Shirts
- Transfer times: 3 Hours Return Transfer
- What to Bring: Camera, Money, Towel, Sun block
- Meals/Snacks Included (Served at Appleton Estate - at 12Noon)

**Appleton Estate** - The first known documentation of rum production at the Appleton Estate is dated 1749, however the origin of the Estate dates back to 1655 when the English captured Jamaica from the Spaniards. During the English empire, when rum was transported back in barrels, it was discovered that the time spent in the barrel combined with the gentle rocking of the ship allowed for a smoother, tastier rum. Come and experience historical information of the Appleton Estate and demonstrations. Visit of the distillery. Demonstration of the rum aging and blending process. Rum tasting in the Appleton Lounge. And get a Complementary bottle of rum.

**YS Falls** - Boasting a magnificent 7 tiered cascading waterfall, an expansive wading pool fed by underground springs, exciting canopy rides which careen you down the alley high above the falls. River tube rides and spectacular views, adventure waits for you in the Jungle!

**Black River Safari** - Discover the beauty of the South Coast with a 1/2 hour boat tour by motor launch up Jamaica's largest navigable river and through what is Jamaica's largest wetland area the Black River lower morass. Our basic tour takes you six miles up the river and return, during which a running commentary is given by your captain/ tour guide on both the ecology and a little history of the area. Over 100 species of birds have been recorded in the Black River morass and many are seen during your trip. The endangered American Crocodile (*Crocodylus*) inhabits the area and sightings are very very frequent.. The wetland vegetation is of special interest with three species of mangrove, Thatch palms, Royal palms and freshwater swamp forest dominating. A not-to-be-forgotten experience.

**South Cost Tour - \$125 USD Per Person**
