SLAQ AGM March 2014

Maker Spaces articles and references

Sylvia Martinez webinar 11 Feb 2014: Why School Leaders Should Know About the Maker Movement

Many links in Kay's blog, but this link is to the kits we discussed and played with on the day.

http://resourcelinkbce.wordpress.com/2013/10/30/running-a-makerfaire-good-hard-fun-at-st-joachims/

Maker Spaces are a perfect match for the contemporary library: offering students the opportunity to create, explors, collaborate and participate in a safe and welcoming

Education's information and resourcing centre. Resources referred to can be found a

is the Lib

his one hour presentation vill share information, ideas nd practical tips on how te reate your own maker space a bring your library to life!
