In this activity teachers were invited to the library and were guided about NDL, how it supports for all academic levels including researchers & life long learners. As its an initiative of MHRD GOVT OF INDIA. It is being developed at IIT Kharagpur. Teachers were made member of National Digital LIBRARY.
Activity: Adopt-a-thon

Participated: Students of class V

Tidying up the library shelves is a kind of responsibility which was done by those who take less interest in reading. It was a great opportunity for us to build a bridge between them and library.

And amazing results of the same were found. Students took part very enthusiastically and we were able to ameliorate reading habits among them. Students adopted the shelves of their choice and during their scheduled library time, they kept a check on their shelves including check out and check in of books.

Activity: Librarian’s Day

Participated: Junior and Senior Librarian

The workshop conducted by Andrea Bowie was extremely effective as she suggested a variety of novel methods to be followed while guiding children for good reading.
